CLEVELAND  
INSTITUTE OF MUSIC

## **RTA Commuter Advantage Program**

- Employees can enroll in the monthly RTA pass pre-tax purchasing program (which includes unlimited rail, bus and BRT trips). Employees pay less tax on their take-home income, and total payroll is reduced for employers. This benefit also gives participants four guaranteed rides home annually (paid for by RTA) if you are caught at work late or have to leave for an emergency. RTA passes are delivered directly to your employer.

## **Carpool Matching**

- CIM employees have access to carpool matching through Gohio Commute. Employees can search for carpool matches in CIM's private network (CIM employees only) or broaden their list of potential matches by searching among other people who work in University Circle. Get started by creating an account with your [cim.edu](mailto:cim.edu) email address at [GohioCommute.com](http://GohioCommute.com).

## **On-site bike racks**

- Two on-site sets of bike racks are available for employee/visitor use anytime. One set of racks is near the East Blvd. entrance, and the other is near the Hazel Drive entrance.

## **Enterprise CarShare**

- CIM employees are waived from the application fee and receive 30% off the annual membership fee. Hourly car rentals start at \$8 an hour.
- Enterprise has four CarShare locations in University Circle, including one location next to CIM's campus at Juniper Road.
